Circle S.p.A. ("**Circle**"), a Company listed on AIM Italia leading its own Group specialized in process and management consulting services, and in providing innovative technological solutions for transport and logistics sector, will attend today at Alcantara Terminal of the Lisbon Port the final conference of [Med Atlantic Ecobonus Project](#).

Med Atlantic Ecobonus (MAE) Action is a feasibility study co-funded by the European Union, coordinated by Puertos dell'Estado in Spain and with the participation of Italy, France and Portugal, performing a comprehensive analysis on the potential use of eco-incentives measures to stimulate sustainable freight transport services in the current TEN-T framework and further CEF mechanism for the 2021-2027 period, open to all EU regions and modes of transport.

In particular, MAE Action formulates an approach to eco-incentives based on common principles at EU level and delivers an ex-ante analysis demonstrating the impact of such a measure for the particular case of the Motorways of the Sea market servicing alternative routes for the road transport sector in the Atlantic and West Mediterranean regions.

Alexio Picco, Circle's Counselor and head of Connecting EU Business Unit, will moderate today the last session of the conference about "The vision of the industry".

Circle provided its support to the project in communication activities and event planning, as well as through [On the MoS Way](#) - the official digital multichannel platform about Motorways of the Sea which includes a website and social media channels on
